**PETITIONER'S RESPONSE TO  
REGISTRANT'S FIRST SET OF  
INTERROGATORIES**  
[37 C.F.R. § 2.120]

PROPOUNDING PARTY: Registrant SANTANA's GRILL, INC. ("Registrant")

RESPONDING PARTY: Petitioner ARTURO SANTANA GALLEGO ("Petitioner")

SET NO.: One

Petitioner hereby responds to First Set of Interrogatories propounded by Registrant  
Santana's Grill, Inc. ("Registrant")

### **PRELIMINARY STATEMENT**

Petitioner has not fully completed his investigation, discovery, analysis, legal research and preparation for trial. The responses contained herein are based only upon the information and documentation presently available and known to Petitioner, and which he can recall, based on his best present recollection. It is possible that further investigation, discovery, analysis, legal research and/or preparation may result in the ascertainment of additional information or documentation, or provide additional meaning to known factual conclusions and legal contentions, all of which may result in the modification of these responses. It is also possible that Petitioner could further refresh his recollection by consulting with members of his family, customers, vendors or business associates. Accordingly, Petitioner reserves the right to modify his responses herein based upon subsequently ascertained or developed information, documentation, facts and contentions. Subject to the objections asserted herein, Petitioner's responses are made in a good faith effort to reasonably respond to Respondent's interrogatories based upon presently available information and documentation. These responses should not be construed to prejudice Petitioner's right to conduct further investigation, discovery, analysis, legal research and/or preparation, or to limit Petitioner's right to utilize any additional evidence that may be developed.

Except for explicit facts stated herein, no incidental and/or implied admissions are intended or made by Petitioner in any of these responses. Petitioner's responses should not be construed as an admission that Petitioner accepts or admits any facts set forth or implied in the Respondent's interrogatories. Petitioner's response to any portion of Respondent's interrogatories should not be construed as a waiver of part or all of Petitioner's objections thereto.

By making these responses, Petitioner does not concede that the information sought is relevant. Each of these responses or objections is based on Petitioner's understanding of each individual interrogatory herein. To the extent that Respondent asserts an interpretation of any interrogatory that is inconsistent with Petitioner's understanding, Petitioner reserves the right to supplement his responses and objections.

As specifically directed by the Federal Rules of Civil Procedure under which these discovery proceedings are governed, these responses include both the information, contentions and legal conclusions of Petitioner and of counsel, but specifically excludes those matters protected by the work product doctrine or the attorney-client privilege, and the facts known and currently recalled by Petitioner.

These responses and objections are made without intending to waive or waiving, but on the contrary, intending to preserve and preserving: (1) the right to raise in any subsequent proceeding or in the trial of this or any other action all questions of relevancy, materiality, privilege and evidentiary admissibility of any interrogatory response herein; (2) the right to object on any ground to the use or introduction into evidence of said interrogatory response in any subsequent proceeding or in the trial of this or any other action on any ground; and (3) the right to object on any ground at any time to interrogatories or other discovery involving said interrogatory responses or the subject matter thereof.

## GENERAL OBJECTIONS

In addition to those objections specifically set forth in response to a particular interrogatory, Petitioner incorporates (into each of the individual responses) the general objections set forth below (to the extent applicable). Each response herein is made subject to and reserving the applicable general objections.

1. Petitioner objects to each interrogatory to the extent that it seeks information containing communications or other matters protected by the attorney-client privilege, the work product privilege, and/or proprietary, confidential and/or trade secret information, the constitutional right to privacy of any of Petitioner's former employees, and/or other privileges or immunities, and Petitioner and his counsel hereby assert such privileges and immunities, and will not answer any interrogatories protected by said privileges or immunities. Any information provided in the following responses shall not constitute a waiver of any of the privileges, immunities or objections enumerated herein. Any inadvertent disclosure of such information shall not be deemed a waiver of the attorney-client privilege, the attorney work product doctrine, or any other applicable privilege or immunity recognized by statute or case law.

2. Petitioner objects to these interrogatories to the extent that the information sought is not specified with sufficient particularity or is not relevant to this action. Such overbreadth renders these interrogatories burdensome and oppressive.

3. Petitioner objects to these interrogatories to the extent they seek information protected from disclosure by rights of privacy under the Constitution of the United States and of the State of California, and other applicable law, statutory or otherwise.

4. Petitioner objects to these interrogatories to the extent they prematurely seek discovery of the identity, opinions and/or work product of any of Petitioner's expert consultants.

5. Petitioner objects to these interrogatories to the extent that they seek information which has already been provided in sworn and translated declarations, and therefore attaches these sworn declarations in further response to these interrogatories.

The above Preliminary Statement and General Objections are incorporated into each response below, regardless of whether specifically mentioned. The specific objections set forth below are not a waiver, in whole or part, of any of these general objections. Subject to and without waiving these objections, responding party responds below.

### **RESPONSES TO INTERROGATORIES**

#### **INTERROGATORY NO. 1:**

Identify and describe Petitioner's first use of the terms "Santana's Mexican Food" and "Es Muy Bueno" with respect to the Yucca Valley restaurant.

#### **RESPONSE TO INTERROGATORY NO. 1:**

Petitioner objects to this Interrogatory on the grounds that it is compound. Petitioner further objects based on the Preliminary Statement and General Objections stated above, which are hereby incorporated by reference as if they were set forth in full herein. Subject to and without waiving those objections, Petitioner responds:

In 1986, Petitioner opened and was the sole owner of a restaurant located at 1480 Rosecrans Street, San Diego, California ("Point Loma Restaurant"). After using the names, "Alberto's" and "Corona's," Petitioner began to use the name "Santana's Mexican Food" in 1987 or 1988 as the name of the Point Loma Restaurant. The name "Santana's Mexican Food" was placed prominently on a sign at the exterior of the Point Loma Restaurant. Petitioner advertised the restaurant as "Santana's Mexican Food" in the Pacific Bell Yellow Pages.

In December of 1988, Petitioner opened a second restaurant, named "Santana's Mexican Food" located at 56547 Twenty-Nine Palms Highway, Yucca Valley, California ("Yucca Valley

Restaurant”). The name “Santana’s Mexican Food” was placed prominently on an elevated sign outside and above the premises on a tall pole, readily visible to traffic on California State Highway 62. Petitioner advertised the Yucca Valley Restaurant as “Santana’s Mexican Food” as early as 1989.

In approximately 1988, but certainly prior to 1991, Petitioner obtained and purchased radio advertising for the Yucca Valley Restaurant on the radio station using call letters KSES, for “Santana’s Mexican Food.” The radio advertisement included a melodic jingle to an instrumental tune, followed by the exclamatory phrase “Santana’s Mexican Food . . . Es Muy Bueno!” and the address of the Yucca Valley Restaurant. The advertisement was played continuously for several months, and based on information and belief, that period was for approximately eight months.

Between 1988 and 1991, following the radio advertisement’s use of the phrase “Es Muy Bueno!” to advertise “Santana’s Mexican Food,” the sign at the Yucca Valley location was changed to include the words “Es Muy Bueno” right on the sign prominently displayed to the passing public on California’s Highway 62. The phrases “Santana’s Mexican Food” and “Es Muy Bueno” were also used in connection with the menus for both the Point Loma Restaurant and the Yucca Valley Restaurant prior to 1991 and prior to the transfer of the ownership of the tangible assets of the Point Loma Restaurant to Petitioner’s son, Abelardo Santana.

**INTERROGATORY NO. 2:**

Identify and describe Petitioner’s first use of the terms “Santana’s Mexican Food” and “Es Muy Bueno” with respect to the Point Loma restaurant.

**RESPONSE TO INTERROGATORY NO. 2:**

Petitioner objects to this Interrogatory on the grounds that it is compound. Petitioner further objects based on the Preliminary Statement and General Objections stated above, which

are hereby incorporated by reference as if they were set forth in full herein. Subject to and without waiving those objections, Petitioner responds:

See Response to Interrogatory No. 1.

**INTERROGATORY NO. 3:**

Identify and describe any use by Petitioner of a mark identical or similar to the design depicted in Reg. No. 2,682,978 in connection with any restaurant owned by Petitioner at the time of the use.

**RESPONSE TO INTERROGATORY NO. 3:**

Petitioner objects to this Interrogatory based on the Preliminary Statement and General Objections stated above, which are hereby incorporated by reference as if they were set forth in full herein. Subject to and without waiving those objections, Petitioner responds:

See Response to Interrogatory No. 1. Petitioner used a sign containing the same colors contained on the logo in '978, including an apricot colored background, orange background and navy blue text on the sign located on California State Highway 62 at the Yucca Valley Restaurant. Petitioner used a sign containing the triangles contained on the logo in '978 on a foam board constructed at one of the tables inside of the Yucca Valley Restaurant. That sign, constructed of foam board, was used until after the transfer of the tangible assets of the Yucca Valley Restaurant to Arturo Castañeda.

Petitioner used menus containing the term "California Burrito" and actually served and sold the "California Burrito" to the consuming public at the time that he owned and operated Point Loma and Yucca Valley Restaurant locations. Petitioner maintains a reversionary ownership interest in the tangible assets of the Yucca Valley Restaurant, which has continuously served the "California Burrito" since its invention at that restaurant by Petitioner.

**INTERROGATORY NO. 4:**

Identify and describe any use of a mark identical or similar to the design depicted in Reg. No. 2,682,978 of which Petitioner is aware in connection with any restaurant not owned by Petitioner or Registrant.

**RESPONSE TO INTERROGATORY NO. 4:**

Petitioner objects to this Interrogatory on the grounds that it is compound. Petitioner further objects based on the Preliminary Statement and General Objections stated above, which are hereby incorporated by reference as if they were set forth in full herein. Subject to and without waiving those objections, Petitioner responds:

Petitioner is informed and believes that the restaurants operated by Santana's Grill, Inc. use the identical mark depicted in '978. Petitioner is aware of the existence, either past or present, of Mexican restaurants unrelated to him or to his sons or associates, using: (1) the mark: SANTANA'S MEXICAN GRILL at 3637 Thousand Oaks Boulevard, Thousand Oaks, CA; and (2) SANTANA'S MEXICAN FOOD at 10438 E. Waterloo Road, Stockton, California; and (3) SANTANA'S MEXICAN FOOD, 1930 W. Buckeye Road, Phoenix, Arizona.

**INTERROGATORY NO. 5:**

Describe in detail the circumstances surrounding the opening of any restaurants opened or owned by Petitioner using the name "Santana's Mexican Food" or "Santana's Mexican Grill," including the location, date of opening, and any agreements purportedly granting the rights to use such name or names.

**RESPONSE TO INTERROGATORY NO. 5:**

Petitioner objects to this Interrogatory on the grounds that it is compound. Petitioner further objects based on the Preliminary Statement and General Objections stated above, which

are hereby incorporated by reference as if they were set forth in full herein. Subject to and without waiving those objections, Petitioner responds:

See Response to Interrogatory No. 1. Petitioner has not owned nor operated any restaurants using the name "Santana's Mexican Grill." Petitioner did license the name "Santana's" in association with restaurant services to his sons, and the sons later used the name "Santana's Mexican Grill" in that association under that license.

Prior to opening any new restaurants named "Santana's Mexican Food," other than the Yucca Valley Restaurant, Arturo Castañeda consulted with Petitioner with respect to the opening of the new restaurants, their locations and the type of food and operation of those new restaurants. Petitioner maintains the interest and ownership of the name "Santana's Mexican Food," and if Arturo Castañeda breaches the purchase and sale agreement and license provisions with respect to location, quality of food, type of food, or geographic restrictions, Petitioner would seek reversion of the ownership of the tangible assets known as the Yucca Valley Restaurant and would prohibit Arturo Castañeda from further use of the name "Santana's Mexican Food." Arturo Castañeda has agreed to abide by the license terms of Petitioner with respect to geographic restrictions of any expansion, quality of food, and type of food offered at each of Mr. Castañeda's restaurants named "Santana's Mexican Food."

**INTERROGATORY NO. 6:**

Describe in detail the circumstances surrounding any radio advertisement broadcasts relating to the Yucca Valley restaurant.

**RESPONSE TO INTERROGATORY NO. 6:**

Petitioner further objects based on the Preliminary Statement and General Objections stated above, which are hereby incorporated by reference as if they were set forth in full herein. Subject to and without waiving those objections, Petitioner responds:

See Response to Interrogatory No. 1.

**INTERROGATORY NO. 7:**

Identify and describe any use by Petitioner of the term “home of famous California Burrito” or any similar term in connection with any restaurant owned by Petitioner at the time of the use.

**RESPONSE TO INTERROGATORY NO. 7:**

Petitioner further objects based on the Preliminary Statement and General Objections stated above, which are hereby incorporated by reference as if they were set forth in full herein. Subject to and without waiving those objections, Petitioner responds:

See Response to Interrogatory No. 1.

**INTERROGATORY NO. 8:**

Describe in detail the circumstances surrounding Petitioner’s alleged invention of the “California burrito,” including the inventive activities performed at both the Point Loma and Yucca Valley restaurants at the time of the alleged invention.

**RESPONSE TO INTERROGATORY NO. 8:**

Petitioner further objects based on the Preliminary Statement and General Objections stated above, which are hereby incorporated by reference as if they were set forth in full herein. Subject to and without waiving those objections, Petitioner responds:

Prior to 1991, and prior to the transfer of ownership of the Point Loma Restaurant to his son Abelardo Santana, Petitioner invented a potato-based burrito, and sold it for the first time at the Yucca Valley Restaurant. Petitioner called this burrito a “California Burrito” and sold it under that name from the Yucca Valley Restaurant. Thereafter, Petitioner incorporated the “California Burrito” into the menu at the Point Loma Location. These events all took place prior

to the transfer of the tangible assets of the Point Loma Restaurant to Petitioner's son, Abelardo Santana.

**INTERROGATORY NO. 9:**

State the date(s) at which Petitioner began offering for sale the "California burrito" at the Point Loma and Yucca Valley restaurants.

**RESPONSE TO INTERROGATORY NO. 9:**

Petitioner further objects based on the Preliminary Statement and General Objections stated above, which are hereby incorporated by reference as if they were set forth in full herein. Subject to and without waiving those objections, Petitioner responds:

See Response to Interrogatory No. 8.

**INTERROGATORY NO. 10:**

Describe in detail the circumstances surrounding the transfer of ownership of the Point Loma restaurant to Registrant.

**RESPONSE TO INTERROGATORY NO. 10:**

Petitioner further objects based on the Preliminary Statement and General Objections stated above, which are hereby incorporated by reference as if they were set forth in full herein. Subject to and without waiving those objections, Petitioner responds:

Petitioner orally gave the tangible, physical assets of the Point Loma restaurant to his son, Abelardo Santana Lee. As part of the gift, Petitioner granted Abelardo Santana Lee a royalty-free license to use the name "Santana's Mexican Food" and the term "Es My Bueno" in association with the Point Loma Restaurant, as well as the right to continue to make and sell the "California Burrito." Petitioner did not transfer right to the marks or the associated goodwill to Abelardo or to Registrant.

Petitioner did not give anything, nor did he sell anything, to Registrant. Petitioner is informed and belief that Registrant was not in existence at the time that Petitioner gave the tangible assets of the Point Loma restaurant to Abelardo. Petitioner has never had any dealings whatsoever to Registrant. Petitioner does not read English. Petitioner trusted his son to provide him any necessary paperwork to effect the transaction. Based on information and belief, the only documentation Petitioner signed to document the transfer were records of fictitious business name filings. Petitioner did not sign any documentation to, nor did he transfer the exclusive right to use the marks associated with the Point Loma restaurant.

**INTERROGATORY NO. 11:**

Identify and describe any assets of the Point Loma restaurant which were not transferred to Registrant.

**RESPONSE TO INTERROGATORY NO. 11:**

Petitioner objects to this Interrogatory on the grounds that it is compound. Petitioner objects to this Interrogatory on the grounds that it is vague and confusing ass to the term “assets of the Point Loma Restaurant,” and therefore Petitioner interprets this Interrogatory to ask if Petitioner retained any ownership of any of the physical assets that *were located* at the Point Loma restaurant (such as equipment, inventory, or furniture, but excluding intangibles such as goodwill, or any interests associated with the marks first used by Petitioner). Petitioner further objects based on the Preliminary Statement and General Objections stated above, which are hereby incorporated by reference as if they were set forth in full herein. Subject to and without waiving those objections, Petitioner responds: Petitioner did not retain any ownership of the physical assets located at the Point Loma restaurant after transferring the ownership of the restaurant.

**INTERROGATORY NO. 12:**

Describe in detail any differences in the manner in which the Point Loma restaurant was being operated and the Yucca Valley restaurant was being operated at the time of the transfer of ownership of the Point Loma restaurant to Registrant, including differences in the menu, signage, and manner of operation.

**RESPONSE TO INTERROGATORY NO. 12:**

Petitioner objects to this interrogatory as vague, overbroad and confusing. Petitioner objects based on the Preliminary Statement and General Objections stated above, which are hereby incorporated by reference as if they were set forth in full herein. Subject to and without waiving those objections, Petitioner responds:

The restaurants were in different locations and had different employees. Both restaurants served the same menu with the identical "California Burrito" as the center-piece, and both the "California Burrito" and the other menu choices were made with the identical recipes. There were slight variations on the balance of the menu to accommodate different market forces in the different geographies, used many of the same vendors (including the identical tortilla vendor, meat and cheese vendors, and paper products and produce vendors) and were both operated as family businesses by Petitioner. Both used the same licensed trademarks "Santana's Mexican Food" and "Santana's Mexican Food . . Es Muy Bueno."

**RESPONSE TO INTERROGATORY NO. 14:**

Petitioner objects to this Interrogatory based on the Preliminary Statement and General Objections stated above, which are hereby incorporated by reference as if they were set forth in full herein. Subject to and without waiving those objections, Petitioner responds:

Prior to 1991, Abelardo worked very infrequently and sporadically in my restaurants as an occasional cashier or performing other sundry work. Abelardo was not involved in any respect with the management, ownership or operational decisions of Petitioner's restaurants, but he did eat regularly at the restaurants and attended family functions at the restaurants.

**INTERROGATORY NO. 18:**

Describe in detail the circumstances surrounding the transfer of ownership of the Yucca Valley restaurant from Petitioner, including the selling price and all monetary and non-monetary terms of the transaction.

**RESPONSE TO INTERROGATORY NO. 18:**

Petitioner objects to this Interrogatory based on the Preliminary Statement and General Objections stated above, which are hereby incorporated by reference as if they were set forth in full herein. Subject to and without waiving those objections, Petitioner responds:

Petitioner sold the tangible, physical assets of "Santana's Mexican Food" located at 56547 Twenty-Nine Palms Highway, Yucca Valley, California to Arturo Castañeda in 1999 for \$500,000 on an installment payment schedule, which is ongoing. As part of the sale of the physical assets and operation of the Yucca Valley Restaurant, Petitioner granted Arturo Castañeda a royalty-free license to continue the non-exclusive use of the marks "Santana's Mexican Food" and "Santana's Mexican Food . . . Es Muy Bueno." Petitioner's control exerted in the license over these marks includes Mr. Castañeda's obligation to serve the same food, to use the marks in a consistent manner, to use the "California Burrito" as the center-piece and adherence to Petitioner's geographic restrictions on expansion using the marks. Prior to opening any new restaurants using the name "Santana's Mexican Food" with or without the term "Es Muy Bueno," and selling the California Burrito, Arturo Castañeda has consulted with Petitioner with respect to location, type of food, quality of food, and agreed to honor Petitioner's controls instructions or conditions with respect to those items.

Petitioner sold all of the physical assets, but not the goodwill or the interests in the disputed marks. Petitioner maintains a reversionary interest in the tangible assets of the Yucca Valley Restaurant, meaning that if Arturo Castañeda breaches any o the terms of the agreement

(i.e. quality of food, geographical restrictions, payment terms), the ownership of the tangible physical assets of the Yucca Valley revert entirely to Petitioner. Petitioner continues to hold title to the marks and associated goodwill, and all the use of the marks by Arturo Castañeda under the terms of the license, inures to the benefit of Petitioner.

**INTERROGATORY NO. 19:**

Describe in detail the inclusion in the sale of the Yucca Valley restaurant to Arturo Castañeda of “rights to continue non-exclusive use of the mark ‘Santana’s Mexican Food’, with or without ‘Es Muy Bueno’ and to sell California Burritos”.

**RESPONSE TO INTERROGATORY NO. 19:**

Petitioner objects to this Interrogatory on the grounds that it is compound, vague, and unintelligible. Petitioner objects to this Interrogatory based on the Preliminary Statement and General Objections stated above, which are hereby incorporated by reference as if they were set forth in full herein. Subject to and without waiving those objections, Petitioner responds:

See Response to Interrogatory No. 18.

**INTERROGATORY NO. 20:**

Identify and describe any asset of the Yucca Valley restaurant which [sic] was not transferred to Arturo Castañeda.

**RESPONSE TO INTERROGATORY NO. 20:**

Petitioner objects to this Interrogatory based on the Preliminary Statement and General Objections stated above, which are hereby incorporated by reference as if they were set forth in full herein. Subject to and without waiving those objections, Petitioner responds:

See Response to Interrogatory No. 18.

**INTERROGATORY NO. 21:**

**RESPONSE TO INTERROGATORY NO. 24:**

Petitioner objects to this Interrogatory based on the Preliminary Statement and General Objections stated above, which are hereby incorporated by reference as if they were set forth in full herein. Subject to and without waiving those objections, Petitioner responds:

See attached Declarations of Arturo Santana Gallego and Arturo Santana Lee. In order to detail the employment, Petitioner would have to consult records which are no longer in existence or in his possession, or would have to consult with Pedro Santana Lee to refresh his recollection.

**INTERROGATORY NO. 28:**

State the date at which Petitioner became aware that restaurants unrelated to Petitioner, Petitioner's sons, or Registrant were using the marks "Santana's Mexican Grill" and "Santana's Mexican Food," and identify any such restaurants.

**RESPONSE TO INTERROGATORY NO. 28:**

Petitioner objects to this Interrogatory based on the Preliminary Statement and General Objections stated above, which are hereby incorporated by reference as if they were set forth in full herein. **RESPONSE TO INTERROGATORY NO. 30:**

Subject to and without waiving those objections, Petitioner responds: Petitioner objects to this interrogatory as impermissibly compound, and states that the factual bases developed so far are contained in the declarations of Arturo Santana Gallego and Arturo Santana Lee, attached hereto, and in the three Petitions to Cancel, on file with the Board.

Dear Sir:

The Registrant in the above-identified Registration hereby states that the certificate of registration for this mark contains an error that occurred in good faith and through the fault of Registrant, and therefore requests issuance of a Certificate of Correction pursuant to Section 7(h) of the Trademark Act of July 5, 1946, as amended.

The date of first use of the mark and the date of first use of the mark in commerce originally provided in Application Serial No. 76/345,542 were the dates the Applicant first used the words "Santana's Mexican Food" in conjunction with its services. The mark for which registration was applied, combining these words with design elements, was not developed and used until about 1993. Therefore, while the Applicant used the words alone prior to 1993, the date of first use of the above-referenced composite mark is on or before 1993 and the date of first

Declaration Under 37 C.F.R. § 2.20

I, Claudia Santana, declare that I am Vice President of Santana's Grill, Inc. and am

authorized to make this declaration on its behalf; that I executed the application filed as Serial No. 76/345,542 on November 27, 2001, which matured into the registration now sought to be corrected; that the term "Santana's Mexican Food" has been in use in conjunction with restaurant service since as early as 1988, in accordance with the original application; that the mark registered and incorporating this term was not used or used in commerce until about 1993; that I misunderstood what date was to be provided in the application and mistakenly believed it was the date of use or use in commerce of the words "Santana's Mexican Food"; that the attorney who prepared Application, Serial No. 76/345,542 did not provide legal representation of the Registrant Corporation until 2001 and therefore relied on information I provided relating to the dates of first use and first use in commerce; that this error occurred without any intent to deceive the U.S. Patent and Trademark Office or the public when the dates of use and use in commerce were provided and when Application Serial No. 76/345,542 was executed.

I declare further that all statements made herein of my own knowledge and belief are believed to be true and the these statements were made with the knowledge that willful false statements and the like are punishable by fine or imprisonment, or both under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of this document and the registration to which it relates.
